THE ANGORA CLUB

Organization

The Angora Club was organized on July 4, 1920. The charter members who effected the organization of the club very fittingly chose the summit of Saddle Mountain as the site of the ceremony. Today, very few of the original members are still active in club affairs but Saddle Mountain remains the Angora shrine. The principles and ideals set forth by the organizers still provide the inspiration for club activities. Minor changes have been made to cope with changing conditions, both social and economic, but the fundamental aims of the organization remain intact.

The Angora Club is organized for the purpose of fostering nature study, preserving and making accessible the many scenic places, and training its members to be real hikers.

Persons of the age of 18 and over, interested in the out-of-doors are cordially invited to attend the hikes and meetings of the Club.

MEMBERSHIP QUALIFICATIONS

Applicant must have climbed Saddle Mountain and made at least two major trips of the Club. Election to membership is by ballot of the Club. Dues are \$2.00 per year.

The Angora Club welcomes the public to its outings and will be glad to admit to its membership those who are sufficiently interested to qualify.

MEETINGS

The Angora Club meets each Friday at 8 P.M. at the Community Hall in the City Park. Refreshments are served, good fellowship prevails, entertainment is provided and occasional instructive features are included in the program. The first meeting in each calendar month is open to members only, but at all other meetings guests are welcome. All persons interested in hiking, and particularly those affiliated with other clubs, are invited to attend the meetings.

HIKES

The same welcome of non-members prevails on all club trips except on special trips, so designated, where limited facilities make it imperative that members be given preference.

SCHEDULE OF HIKEs AND OUTINGS OF THE ANGORA CLUB FOR 1946

JANUARY 13

Saddle Mountain—This is a trip you can't afford to miss. We've had deep snow and ice-laden trees, but whatever we find you'll not be disappointed. Plan to be with the crowd at 7 A.M. Estimated cost \$1.00.

JANUARY 27

Little Falls on the Nehalem—Little Falls is located about four miles south of Elsie on the picturesque Nehalem River. An easy trail, no climbing, along the shore of the Nehalem, the fisherman's paradise. Total hiking distance about six miles. Leave Astoria 7 A.M. Estimated cost \$1.25.

FEBRUARY 9—10

Mt. Hood—Here's your chance to enjoy a taste of real winter weather with plenty

of snow for skiing and tobogganning. You won't regret this visit to Oregon's winter sports center. Details to be arranged later. Estimated cost \$5.00.

FEBRUARY 22

Homecoming—Don't forget the date, February 22. This is a club tradition—an annual party when the new and old members get together at the Club House for an evening of fun. 8 P.M.

MARCH 10

Angora Ranch—Now comes a trip to the Angora's estate. What to do with it? After a winter of argument let's go down to look it over, maybe work on a trail, or a picnic spot. Leave Astoria at 9 A.M. Estimated cost 50 cents.

MARCH 24

Mystery Trip—Come on and find out where we're going. Who knows? Only the leader. When do we leave? Ask the leader. How much will it cost? Well, that's a mystery, too!

APRIL 14

Float Hunt on Beach—We are hoping for a good wind storm for this lively trip. For those who have not hunted for these floats there is a real treat and thrill for them when they find one. Dress warmly and bring your lunch. Leave Hildebrand's 9 A.M. Estimated cost 50c.

APRIL 27—28

Spirit Lake—This is really a beautiful trip and we have so much fun. Lots of snow and plenty of places to hike. This is an overnight trip so make your plans accordingly. Leave Hildebrand's 9 A.M. Estimated cost \$3.50.

MAY 5

Clam Dig—Bring out your clam guns and dogs. Remember how the Angoras like to eat so prepare to furnish a real clam spree. Leave Hildebrand's 8 A.M. Estimated cost 50c.

MAY 19

Lost Lake—It has been a long time since the club has made this very interesting trip where boat rides are made on log rafts or floats. Lots of fun. Leave Hildebrand's 7 A.M. Estimated cost \$1.25.

JUNE 2

Saddle Mountain—This is the time of year for all flower lovers to make their annual trip to the beloved mountain. Such flowers you have never seen, it is truly a flower lover's paradise. Leave Hildebrand's 5 A.M. Estimated cost \$1.00.

JUNE 9

Dead Man's Hollow—Don't let the name scare you. This is a delightful and interesting beach below North Head in our neighbor state, Washington. Leave Hildebrand's store in time for the first ferry to Megler. Estimated cost \$1.00.

JUNE 23

Jetty Trip—Now that the Second World War is over we may once more make the South Jetty hike. We are always good for at least several sea lions popping up to take a peek at us. Leave Hildebrand's store at 9 A.M. Estimated cost 40c.

JULY 7

Soapstone Lake—Few of us have seen much of this lake. We just got in one or two trips before the war. Let's go see more of it now that we have the chance. This time of year it should be beautiful. Leave Hildebrand's at 7:30 A.M. Estimated cost \$1.

JULY 21

Death Traps—This is a popular trip in the Angora schedule. The marine gardens have perennial interest. Those of other inland clubs visiting the coast beaches on vacations will have opportunity to make the trip. Leave Hildebrand's at 7 A.M. Estimated cost to be decided.

AUGUST 4

Family Picnic—The details for this event will be discussed later. Bring the wife and family and be prepared for a swell time.

AUGUST 18

Box Canyon—This is a very interesting trip. We drive out the Lewis and Clark road to the Warrenton Dam. You will have wet feet on this hike, so carry dry socks and

a light pair of shoes to wear when we get back to our cars. Bring lunch for one meal. Leave Hildebrand's at 7 A.M. Estimated cost 40c.

SEPTEMBER 1

Angora Peak—Do you have any kinks in your system? Come with us on this trip and it will straighten you out. Some one asked if we ever get lost! Well! No! Some times a little confused. All joking aside, it's a rugged hike. A fine view to be had from the top. Bring lunch for three meals. Leave Hildebrand's at 6 A.M. Estimated cost \$1.00.

SEPTEMBER 14

Corn Roast—Come and join the gang in a feast of roasted corn with all the trimmings. We'll probably have a hike on the beach. The exact place will be decided later. Leave Hildebrand's at 6:30 P.M. Estimated cost 50c.

SEPTEMBER 29

Mt. Nicolai—A trip we haven't made for several years. This is a nice hike, and not too hard. Bring lunch for two meals. Leave Hildebrand's at 7 A.M. Estimated cost 75c.

OCTOBER 12—13

Saddle Mt. Moonlight Hike—Just think! A climb up the mountain in the moonlight, and also a chance to see a sunrise from the top. This should be one of the best hikes of the year, so don't miss it. Bring lunch for two meals. Leave Hildebrand's at 11 P.M. Saturday night. Estimated cost \$1.00.

OCTOBER 26—27

Initiation—Halloween Party—This is the occasion to which all Angoras look forward from the last initiation. It means new members and loads of fun. The neophytes wash the dishes and clean up the muss. Dig up your best or funniest costume and bring it along, also your hiking togs for Sunday. You will need your sleeping bag too for it is an all-night affair. As usual this is for members only. Place and arrangements to be decided.

NOVEMBER 10

Sugar Loaf Mountain—A formerly attractive trip which has been passed by for several years, during which the scenery along the way has ben greatly changed by logging operations. It is said however, that the mountain and the view are still there. We'll see. Be at the usual starting place, Hildebrand's Store at 8 A.M., prepared for a ten mile hike. Estimated cost 75c.

NOVEMBER 24

Thanksgiving Dinner—Yum, Yummm! Yes, we will all be there to help lay away the turkey and fixins. None of the partakers will forget this feed for some time. Place and definite arrangements to be announced in due time.

DECEMBER 8

Christmas Tree Hunt—Tag the nice specimens you see from January to December, then on this date we will make an inspec-

tion and select the best one. Better wear your buckshot proof overcoat. Place, time and cost to be decided later.

DECEMBER 13

Christmas Party—Lets have a big reception for old Saint Nick when he arrives to present gifts to all. Come join in the singing of Christmas carols and relive some of your childhood. Guests are welcome. Bring an inexpensive gift for exchange. Club House, City Park, 8 P.M. Estimated cost 25c.

DECEMBER 31

New Year Watch Party—The last should not be least. It will be a long evening, to use your bag of tricks and recipes for fun while we await the arrival of the "Happy New Year." Time and place to be announced.
